**RE: KUCCPS APPLICATION SUPPORT CENTRE AT THE UNIVERSITY.**

Chuka University wishes to inform all students, parents, guardians and members of the public that officers from the Kenya Universities and Colleges Central Placement Service (KUCCPS) are currently available at the University to provide free assistance with KUCCPS applications.

We invite all eligible candidates who sat for KCSE examinations and wish to apply for placement into universities, TVETs and colleges to visit Chuka University for guidance and support.

The KUCCPS application window for the 2026 placement is open now and will close on 6<sup>th</sup> May 2026. This is your chance to secure a government-sponsored place in universities, colleges, or TVET institutions.

Do not let cut-off points worry you or discourage you from applying. The cut-off points you see on the portal are only guides from previous years. They are not fixed. Actual placement depends on your KCSE performance and the choices you make. KUCCPS has clearly communicated this so that no one misses this opportunity out of fear.

KUCCPS officers will be available at Chuka University up to 24<sup>th</sup> April 2026 to provide in-person support. All applicants are encouraged to take full advantage of this service.

Thank you
