RE: EXTENSION OF THE REGISTRATION PERIOD FOR RESIT/SPECIAL EXAMINATIONS

The above subject refers.

Following the earlier communication on the registration of Resit/Special Examinations, the University wishes to inform all students and staff that the registration period has been **extended**.

The deadline for registration has now been **extended to Wednesday, 5th August 2026**. This extension is intended to provide additional time for eligible students who have not yet completed the registration process.

Students are advised to ensure they complete their registration and meet all the requirements before the new deadline. No further extension of the registration period will be granted.

Thank you.
