## BRIEF HISTORY OF CHUKA UNIVERSITY

Establishment of a great learning institution in Chuka was foretold way back in 1951 by seer Jerusha Kanyua, when she proclaimed that: “a great mountain shall rise at Ndagani-Chuka, where birds from all over the world shall be coming to perch and then fly away happy after a while.” Subsequently, the Chuka community built a Craft Centre in 1956 at Ndagani-Chuka. The Centre was upgraded to a Youth Polytechnic in 1969. In 2003, the community members felt that they needed an institution that could provide higher education and training access. They approached Egerton University to open a Campus in the Centre. Egerton University found Chuka to be centrally placed in eastern Kenya and hence suitable for establishment of a university campus.

On 21<sup>st</sup> August, 2004, when His Excellency President Mwai Kibaki visited Chuka area and held a meeting at Ndagani, the Chuka community through their leaders informed him of their desire to establish a university in the area. Among the dignitaries who attended the meeting were Members of Parliament from the Greater Meru and Senior Government officials. The President supported the aspirations of the people of Chuka and Meru and pledged Government’s support to establish a university at the site. Due to the goodwill of the Government, Egerton University Council approved establishment of a Campus, named Egerton University Eastern Campus at Ndagani in Chuka area.

The Campus was launched on 1<sup>st</sup> August, 2005. The Youth Polytechnic was re-located to another site. On 23<sup>rd</sup> August, 2007, H.E. President Mwai Kibaki elevated the Egerton University Eastern Campus to Chuka University College through Legal Notice Number 161. On 10<sup>th</sup> October, 2007, H.E. President Mwai Kibaki visited and inaugurated Chuka University College. After about five years, H.E. President Mwai Kibaki visited again and chartered Chuka University on 8<sup>th</sup> January, 2013, making it the 2<sup>nd</sup> public university to be chartered and the 9<sup>th</sup> full-fledged public university in Kenya.

The University is located near Chuka Town in Meru South Subcounty, Tharaka-Nithi County at 186 km from Nairobi City, along the Nairobi-Meru Highway on the slopes of the snow-capped Mt. Kenya, and altitude of 1,500 m above sea level. The University’s academic character is Environmental Conservation and Renewable Energy Studies, which is actualized through provision of higher education, training and research from Certificate to Doctorate levels in Agriculture & Environmental Studies; Humanities & Social Sciences; Business Studies; Education & Resources Development; Science, Engineering & Technology; Nursing & Public Health; and Law.

In 2014, it launched the Chuka University Alumni Association (CUAA), whose membership is set to surpass **26,746** this year. The alumni will help the University realise its Vision, Mission and Mandate through various initiatives.
